

# Halloween Rhyming Memory Game

These stickers are intended to be placed on the bottom of plastic flying discs which can be purchased at Michael's in the Halloween section (Creatology 12 per/pack). You will need two packs. To assemble this activity, print this sheet on a full sheet label (Avery 48165). Cut out circles and place on the bottom of the plastic discs.

To play the game, place the plastic discs in rows on the table. Players take turns turning over two discs. If the pictures rhyme, the player can keep the discs. If they do not rhyme, the discs are returned. Players continue to take turns until all the matches are made. The player with the most disc wins.
